USURY

The usury rate for unregulated lenders the month of October 2014 is **7.000% (5.551%)**.

**PLEASE NOTE:** The usury rate is equal to five and one half percent (5.5%) higher than the current cost of money as reflected by the average rate of interest payable on U.S. Treasury Bills maturing within six months; but in any event the maximum allowable interest rate ceiling may not be less than seven percent (7.0%).
